Quality Products that Work for You...

STONE Quality • American Made

Quality comes first at Stone. We’ve been making handcrafted products for livestock producers since 1932. Over the years we’ve learned a great deal about quality. You can see it in the meticulous detail and workmanship of our products, and you can feel it in the way they perform.

We know you’re only going to choose Stone products if they perform to your complete satisfaction. Above all, we understand that our products must not only make your job safer, easier and more effective, they must also add to your bottom line.

We value quality and performance just as much as you do. The best way to appreciate the true quality of a Stone product is to experience it for yourself. We take pride in making products that work for you.

Dehorners

Electric Dehorner

Product # 24210 – Electric Dehorner (inside diameter – 7/8")

Stone Double Dehorner

• Saves time: One instrument handles newborns 3-10 days old, flip it over for larger calves up to 12 weeks (some breeds to 6 months).
• Cauterizing action reduces blood loss and helps prevent infection after mechanical dehorning.
• Solid brass heating element for long life.
• Stays hot longer. 110 Volts, 240 Watts.

Product # 24310 – Stone Double Dehorner (inside diameters – 3/4" and 1")

Barnes Precision Dehorners

Barnes Precision Knuckle Saver Dehorners

18° offset tubular steel handles, lets you fully close cutting edges in much less space. Ideal for close quarters – holding pens, around headlocks, squeeze chutes. Heavy duty, precision Barnes instrument with sharp, hardened cutting edges, built to last. Only 16" long.

Product # 24229 – Large Knuckle Saver (jaw opening 1-3/4" x 3")
Product # 24249 – X-Large Knuckle Saver (jaw opening 2-1/4" x 3-1/2")

Barnes Precision Dehorners

Surgical Quality Instrument

Precision cutting edges perfectly matched, hand fitted for precise cutting, no binding, no skin tags. Heavy duty hardened steel with rust resistant oxidized finish. Heavy duty steel handles on all sizes, rubber grips. Quality built for years of dependable service. Three sizes: Small, Large and Extra Large. Stone Barnes Precision Dehorners make dehorning faster, easier, and more complete than you ever thought possible.

Product # 24248 – Small, 12" (jaw opening 1-1/4" x 2-1/2")
Product # 24249 – Large, 17" (jaw opening 1-3/4" x 3")
Product # 24245 – X-Large, 17" (jaw opening 2-1/4" x 3-1/2")

Tube Dehorner

Designed especially for use on calves up to four months old. First choice of many dairymen and stockmen. Precision cutting edges. Rust resistant black oxidized finish. Fits the horn at base for quick, easy removal. Hardwood knob handle. Four size choices.

Product # 24220 – 3/4" dia. Tube Dehorner
Product # 24221 – 7/8" dia. Tube Dehorner
Product # 24222 – 5/8" dia. Tube Dehorner
Product # 24223 – 1" dia. Tube Dehorner

Quality minded cattlemen insist on STONE.
