

Quality Products that Work for You...

Quality comes first at Stone. We've been making handcrafted products for livestock producers since 1932. Over the years we've learned a great deal about quality. You can see it in the meticulous detail and workmanship of our products, and you can feel it in the way they perform.

We know you're only going to use Stone Pro-Line Show Equipment and "Doc" Brannen's Grooming Products if they perform to your complete satisfaction and help your animals show at their best. Above all, we understand that our products must help make grooming livestock easier and be cost efficient.

We value quality and performance just as much as you do. The best way to appreciate the true quality of a Stone product is to experience it for yourself. We take pride in making products that work for you.

Quality – “Doc” Brannen’s Grooming Products

The stakes are high at a livestock show. So when the judges are making their final decision, be sure your animal looks its best with “Doc” Brannen’s grooming products.

It takes a lot of work to get ready for a show – the right diet, training, exercise – and grooming. But “Doc” Brannen’s takes the effort out of grooming with a full range of helpful products.

Start with Livestock Shampoo for a clean, healthy coat, and finish with Show Luster for a winning shine. You’ll be satisfied with the results.

And your stock will like the gentle way the products work because “Doc” Brannen’s has tested-safe, non-irritant formulas.

“Doc” Brannen’s has been around a long time. Blue-ribbon quality and dependable results have made it the trademark of groomers from county fairs to big national shows.

So, use the product groomers ask for by name...

Final Grooming

Animal grooming products, just as with those we use in our own personal grooming, help to show off the animal at its very best. Product quality and proper application are the keys to successful grooming. “Doc” Brannen’s Grooming Products are of superior quality and have been helping win shows for over 50 years.
