

Quality Products that Work for You...

Quality comes first at Stone. We've been making handcrafted products for livestock producers since 1932. Over the years we've learned a great deal about quality. You can see it in the meticulous detail and workmanship of our products, and you can feel it in the way they perform.

We know you're only going to choose Stone products if they perform to your complete satisfaction. Above all, we understand that our products must not only make your job safer, easier and more effective, they must also add to your bottom line.

We value quality and performance just as much as you do. The best way to appreciate the true quality of a Stone product is to experience it for yourself. We take pride in making products that work for you.

Mission Statement

Respect for the Individual.
Pursuit of Excellence in Quality,

Stone Quality – There’s Nothing Better

At Stone there’s no compromise when it comes to quality. We’ve been making rabies tags since the early 1930’s. We offer streamlined ordering and fulfillment using web-based technology plus an innovative drop-shipment process to expedite delivery to veterinarians.

- Stone is #1 in quality, customer service, and satisfaction.
- Stone is the market leader in rabies tags.
- Tags ship in 7 to 10 business days from receipt of order – fastest in the industry.
- Superior quality aluminum alloy with anodized finish, which is longer lasting and easier to read.
- Choice of colored anodized aluminum or bright stainless steel.
- Anodized aluminum tags are available in regular size and mini-tags. Texas available in regular size only for anodized aluminum and stainless steel.
- Imprint is stamped into metal, won’t wear off.
- Ample space for ID, veterinarian imprint.
- Computerized order forms.
- Superior quality packaging that is “UPS friendly” and assists in-office organization.
- Stone rabies tags are marketed exclusively through distributors.
- Stone quality is unmatched in the industry.

The National Association of State Public Health Veterinarians (NASPHV) recommends the yearly rotation of colors and styles of rabies tags for easier identification of tags being current for a particular year – (i.e.) 2011 Green Bell, 2012 Red Heart, 2013 Blue Rosette and 2014 Orange Oval.
